

Farm & Wildlife Day

Sunday 3rd July 2016

Abbey Farm, Flitcham, PE31 6BT

Circular walks on the farm from 7am—6pm taking you to hill-top views, organic and conventional crops, farm animals and flower-rich meadows. Do these at your own pace and choose how far you go. Sorry, no dogs, but do bring a picnic. Light refreshments from 10am—5pm (in aid of **Little Discoverers**, a local group supporting children with motor learning difficulties and delayed development). There will be moth identification and sale of organic produce by From the Earth who grow on Abbey Farm

There are also guided walks:

Farmland birds — 7.30—9.30am

Chalk, springs and the source of the River Babingley (led by Dr Tim Grapes) — 10am—midday

Flower pick picnic—bring a picnic and take away a handful of wild flowers— 12.15-2pm

Flies & other insects (led by Dr Tony Irwin, former Curator of Natural History, Norwich Mus.) - 2.30-5pm

No need to book places, unless bringing a large group. **All walks free of charge.**
