

NBIS Data Holdings

The following surveys are of data owned (i.e. collected by or for) NBIS:

Dataset Title	Description	Species Included	Dates
NBIS Fungi Survey 2010	NBIS Public fungi survey. Run late autumn 2010. 3 species sought.	Fungi	2010
NBIS Glow Worm Survey	Glow worm records collected via the NBIS glow worm public survey. Includes some historic records.	Glow Worms	1970-2010
Norfolk Species Surveillance Network	Records collected as part of the NBIS Norfolk Species Surveillance Network. Records from NBIS staff and volunteers involved in the network.	Various	2013
Sandy Stiltball Survey	Records of sandy stiltball collected on a survey of Norfolk sites where sandy stiltball had been seen in the past.	Fungi	2010

The following are datasets for which NBIS are custodians:

Dataset Title	Description	Species Included	Dates
1000 Species Challenge	Records collected within the 1km grid square TG0224 during 2013.	Various	2013
A Natural History of the Catfield Estate	Records from the Norfolk & Norwich Naturalists' Society Occasional Publication No. 11 of the same name.	Various	1977-2006
Aculeate Records	Records received from Aculeate County Recorder.	Aculeate hymenoptera	1937-2012
Amphibian & Reptile Records	Records of amphibians and reptiles from a local expert.	Herptiles	2003-2011
<i>Anisus vorticulus</i> survey 2005-06	Records extracted from A Survey in Norfolk for the Freshwater Snail <i>Anisus vorticulus</i> 2005-2006.	Various	1941-2005
Ant Broads & Marshes Records	Records from Ant Broads and Marshes Survey 2006.	Various	2006

Ant Records	Data received from County Ant Recorder. Also contains historic records.	Ants	1964-2014
BAP Fish Survey	Records from surveys of BAP fish in The Broads.	Fish	1986-2007
Barred Tooth-striped Moth Survey	From Butterfly Conservation Reports.	Moths	2010
Basil Thyme Case-bearer Moth in Norfolk & Suffolk	From Butterfly Conservation Reports.	Moths	2007-2010
Bat Hibernacular Records	Confidential records of bat hibernacular.	Bats	2013
Bat Records	Anabat detector records.	Bats	2010
Bates Wood Moths	Records from Moth trap at Bates Wood, Denver 2006.	Moths	2006
Bee & Orthoptera Records	Orthoptera and bee records from county recorder (includes historic records).	Bumblebees & orthoptera	1890-2014
Bird Recorder 2007	Birds records from previous County Bird Recorder.	Birds	2007
Blakeney Point Seal Counts	Historic and current seal numbers at Blakeney Point	Common and Grey Seals	2001-2014
Blofield & District Conservation Group	Records collected by the Blofield and District Conservation Group (BADCOG)	Various	2004-2010
Bob Stebbings Bat Records	Records and correspondence received from Bob Stebbings following his retirement. All papers held relating to bats in Norfolk. Some records without a date or location have been excluded.	Bats	1969-2000
Boughton Fen Aquatic Survey	Records from an aquatic survey of Boughton Fen, 2010.	Various	2010
Brecks Biodiversity Audit Records	Data sourced as part of the Brecks Biodiversity Audit, including records downloaded from the NBN Gateway.	Various	1670-2010
Brecks Invertebrates	Historic and more recent invertebrate records from the Brecks, provided by The Brecks Project up to 2004.	Various	1900-2004
Brecks Otter Survey Records	Norfolk records from the Brecks Otter Surveys 2003-2013 (excluding 2008).	Otters	2003-2013
Broads Authority Fen	Broads Authority Fen Ecological survey invertebrate records.	Various	2007-2008

Updated May 2016

Ecological Survey			
Broads Authority Turf Pond Survey	Records collected during surveys of turf ponds in The Broads.	Various	2013-2014
Broads Authority Wet Woodland Survey 2011	Survey of wet woodlands from Woodbastwick and Trinity Broads.	Various	2011
Broads Biodiversity Audit data - Suffolk	Broads Biodiversity Audit data covering the Suffolk area of the audit study. This data does not include records provided by SBRC which are found in separate surveys. Original survey name is recorded in taxon occurrence comments field.	Various	1670-2011
Broads Fen Invertebrate Data	Records from a Broads Authority funded and managed project on fen invertebrates.	Various	2012
Bryophyte Records	From East Norfolk County Bryophyte Recorder.	Bryophytes	1937-2009
Bug Records	Records of Terrestrial Heteroptera (Land bugs, excluding aphids, leafhoppers etc.) (plus occasional hemiptera) via County Recorder.	Terrestrial Heteroptera (Land bugs, excluding aphids, leafhoppers etc.)	1901-2014
Buglife Thurne Catchment Ditches Survey	Thurne Catchment Ditch survey undertaken from 1973 onwards.	Various	1973-2009
Casual Records	Miscellaneous records received on paper or by email, including historic records.	Various	1898-2013
CEFAS Alien Fish Data 2008	Non-native fish records provided by CEFAS.	Fish	1960-2005
Cetacean Records	Cetacean records sent in via Norfolk Cetacean Recorder.	Cetaceans	2009-2013
Charophyte Records	Charophyte records for Norfolk, recorded by UCL.	Charophytes	2004-2012
<i>Clinopodium acinos</i> since 1900	Records of <i>Clinopodium acinos</i> from Norfolk since 1900.	Vascular Plants	1985-2007
Compressed River Mussel	Records of Compressed River Mussel collected by a variety of people.	Mollusc	1979-1997
Consultancy Reports	Species records taken from ecological consultants' reports.	Various	1996-2014

Updated May 2016

Cranwich Camp Aculeate Survey 2011	Aculeate survey of Cranwich Camp undertaken in 2011.	Hymenoptera	2011
Crayfish Data 06-09	Crayfish survey records.	Crayfish	2006-2009
David Rice Hospital Site Records	Records collected from visits to and surveys of the land around the former David Rice Hospital, Norwich. Species list provided by Norfolk Wildlife Trust	Vascular plants & bryophytes	2010-2011
Dinosaur Adventure Bioblitz Bryophyte Records	Bryophyte records collected at the 2012 and 2013 Dinosaur Adventure bioblitzes.	Bryophytes	2012-2013
Diptera	Records received from County Diptera Recorder.	Diptera	1968-2014
EA BAP and Invasives Survey	Records of BAP and invasive species from Environment Agency surveys.	Various	1980-2014
EA Bintree Otter & Water Vole Survey 2008	Records from the Environment Agency Habitat Survey at Bintree. Includes taxa other than otter and water vole.	Otters & Water Voles	2008
EA Crayfish Records Dec 09	Crayfish data from EA. Original document contained records from the whole of East Anglia, imported data has been cut down to include Norfolk catchments only.	Crayfish	1970-2009
East Harling Common SSSI Records	Records from a report on the flora and fauna of East Harling Common SSSI.	Various	1952-1999
East of England Apple & Orchard Survey	Records of molluscs and diatoms collected by the Wheatfen Partnership taken from the report 'East of England Apple and Orchard Project Mollusca and Diatom Surveys 2005 Norfolk'.	Molluscs & Diatoms	2005
Eastern Daily Press Records	Records extracted from the Eastern Daily Press.	Various	2004-2009
Environment Agency Fish Data	Fish records from Environment Agency surveys.	Fish	1960-2008
Environment Section Records	Miscellaneous records from members of the NCC Environment Team.	Various	1999-2010

Updated May 2016

Fairhaven Woodland & Water Garden Surveys	Records from surveys by members of the Norfolk and Norwich Naturalists' Society at Fairhaven Woodland and Water Garden.	Various	2011-2012
Fish data 2006-2008	Fish records from surveys undertaken in 2006-2008.	Fish	2006-2008
Freshwater Invertebrate Records	Freshwater Invertebrate records verified by county recorder.	Freshwater Invertebrates	2006-2013
Friarscroft Meadow Records	Records compiled by the residents of Friarscroft Lane and Damgate Street, whose gardens back on to Friarscroft Meadow.	Various	2009
Friends of Earlham Cemetery Records	Records taken from the website of the Friends of Earlham Cemetery.	Various	2004-2013
Fungi Records	Fungi records from Norfolk County Fungi Recorder.	Fungi	2006-2009
Gall Records	Gall records from Norfolk County Gall Recorder.	Galls	2013
Heigham Holmes Biological Survey	Records taken from the National Trust Biological Survey Report from 1997, incorporating the 1990 survey.	Various	1989-1997
Hempton Common Survey	Records from Hempton Common 2013 Survey.	Various	2013
Herptile Surveys	Herptile survey records.	Herptiles	2003-2006
Hickling Broad & Catfield Fen water beetles & bugs 2007	Records taken from 'A survey of the Hickling Broad and Catfield Fen areas for the endangered water beetle <i>Bidessus unistriatus</i> in Sept 2007'.	Various	2007
Hilgay Wetland Creation Site Surveys	Records from the survey reports for Hilgay Wetland Creation Site, Downham Market.	Various	2007-2008
Holme Bird Observatory Butterfly Census 2006	Records collected during a butterfly census at Holme Bird Observatory.	Butterflies	2004
Hoverflies	Hoverflies recorded by a specific recorder, submitted as paper records.	Hoverflies	1985-2011
Hoverfly & Beetle Records	Hoverfly and Beetle records from various Norfolk locations.	Hoverflies & Beetles	2011-2012
Hoverfly Records	From specific recorder.	Hoverflies	2012-2014

Updated May 2016

Hunstanton Shore Mollusc Survey	Records for survey of Hunstanton beach published in Molluscan World November 2008.	Molluscs	2008
Ian Keymer STANTA records	Amphibian, reptile and bat records from STANTA training area.	Various	1976-2001
Imported Data	Historic records from a variety of sources.	Various	1700-2006
Imported Data - Flora Records	The Norfolk Flora Data from the County and BSBI Recorder, amounting to some 430000 records, is subject to a supply agreement which states inter alia 'Records held by either party from the other shall be maintained in such a way as to ensure that their source may be identified and acknowledged.' Both parties agree that records held from either party will not be altered or amended without reference to the data supplier.	Vascular Plants	1790-2004
Invertebrate Records	Invertebrate records collected by a specific recorder in Breckland.	Various	2012
Invertebrate Survey Records	Invertebrate records from a specific recorder. Includes collated data as well as surveys undertaken such as Buglife soft cliffs survey.	Various	1917-2009
Invertebrate Surveys	Invertebrate records.	Various	1890-2007
Kings Lynn Museum Records	Historic records from the Kings Lynn Museum.	Various	1930-1981
Lacewings and their Allies	Norfolk records of Lacewings and their Allies provided by county recorder following data exchange with the National Recording Scheme. Includes corrected records from a number of surveys, including the Audits.	Lacewings and allies	1808-2014
Lawn Farm Ponds Invertebrate Survey	Records from a report on an invertebrate survey carried out at the Lawn Farm Ponds.	Various	2010
Lolly Moor Records	Records collected from Lolly Moor.	Various	2011
Lunar Yellow Underwing Larval Surveys	Records taken from Butterfly Conservation reports of surveys for Lunar Yellow Underwing Moth larvae.	Various	2009-2011
Mammal & Amphibian Survey 1979	Anonymous survey of mammals and amphibians from 1979.	Mammals & amphibians	1979
Mammal Surveys	Mammal records from the Broads.	Mammals	2003-2007

Updated May 2016

Manor Farm Pond Data	Records from surveys of the ponds at Manor Farm, Melton Constable	Various	2004-2009
Marine Records	Marine records from various sources, verified by the marine County Recorders	Marine	2008-2015
Marlingford Records 2009	Records taken from documents detailing a personal record of the birdlife, moths and dragonflies to be found in the close vicinity of the MIN54 site.	Various	2009
Marshland St James Records 06-08	Records from Marshland St James, Marshland Fen and Neep's Bridge collected by Marshland Friends.	Various	2006-2008
Mink Records	Mink records sent in by County Badger Recorder.	Mink	2013-2014
Molluscs	Compiled list of BAP mollusc records. Records taken from published papers.	Molluscs	1893-2002
Mousehold Heath Records 2006-2009	Records of aculeate wasps and bees at Mousehold Heath and St James Hill Norwich 2006-2007 plus some extra records including reptiles and amphibians up to 2009.	Various	2006-2009
National Trust East Bat Records	Extra bat records from National Trust properties in the east. Original document contained records for both Norfolk and Suffolk. Only Norfolk records entered. Plus further records sent by email in later years.	Bats	2006-2014
Natterjack Toad Survey 2012	Natterjack Toad Survey at Holme next the Sea in 2012.	Amphibians	2012
Natural Connections Public Surveys	Natural Connections (NWT) Garden Wildlife, Coastal and Mistletoe Surveys. Records from general public.	Various	2008-2009
Natural England Bat Roost Records	Natural England bat roost visit records. Some have been extracted from paper records held at NE in Norwich. Original extracted data is held in a spreadsheet. Some records were not added to Recorder as there was not enough location information to find a grid ref. Most records are at 1km grid resolution due to the site description and the fact that they are private houses. Where the site is a public location such as a church the location is more accurate. More recent records are emailed from Natural England quarterly and are recorded at more accurate spatial resolution.	Bats	1988-2014
NMN 2008	Records from National Moth Night 2008.	Moths	2008

Updated May 2016

Norfolk Badger Group Records	Badger records sent in through the County Badger Recorder.	Badgers	2008-2014
Norfolk Barbastelle Group Records	Records received from Norfolk Barbastelle Study Group. Records are from bat detector recordings.	Bats	2007-2011
Norfolk Bat Survey	The first year (2013) of this project was undertaken as part of the Norfolk Species Surveillance Network. The bat survey was co-ordinated by the BTO. Also includes records from the Norwich Bat Survey from 2012.	Bats	2012-2014
Norfolk Bird Records	Bird records collected for the Norfolk Bird and Mammal report. Provided by county bird recorders.	Birds	2008-2013
Norfolk Bryology Group Records	Records from Norfolk Bryology Group.	Bryophytes	2006-2014
Norfolk Chara records 1996-2003	Charophytes recorded in Norfolk 1996-2003.	Charophytes	1996-2003
Norfolk Hymenoptera Records up to 2009	Including BAP species records.	Hymenoptera	1996-2009
Norfolk Mammal Records	Norfolk mammal records via county mammal recorder.	Mammals	1999-2014
Norfolk Moth Group Records	All records held by Norfolk Moth Group. To be used as the definitive moth data set. This includes an extract from NBIS and the whole of the NOLA dataset. Also includes card records digitised as Defra/NBIS funded work.	Moths	1762-2012
Norfolk Non-native Species Initiative Records	Database of the Norfolk Non-native Species Initiative.	Non-native Species	1989-2014
Norfolk Ornithologist Association	Records provided by the Norfolk Ornithologist Association.	Various	2005-2009
Norfolk Otter Survey 1996	Records from the Norfolk Otter, Water Vole and Mink Survey 1996 (only otter records).	Otters	1996-1997
Norfolk Water Vole Survey 1997	Records taken from Report of the Norfolk Water Vole Survey 1997.	Water Voles	1997

Updated May 2016

Norfolk Wildlife Trust Bioblitz 2010	Records collected on NWT Reserves during the bioblitz weekend June 2010.	Various	2010
Norfolk Wildlife Trust GCN records	Great crested newt records from Norfolk Wildlife Trust.	Great Crested Newt	1985-2006
Norfolk Wildlife Trust Wildlife Invaders Survey	Records from the Norfolk Wildlife Trust's Wildlife Invaders Survey 2009, with a couple of 2008 records included.	Various	2008-2009
Norwich Castle Museum Ant Records 1970s	Records from the ant collection at Norwich Castle Museum 1970s. Original spreadsheet contained non-Norfolk records also, but these were removed before importing.	Ants	1973-1978
NWT Thorpe Marshes Records	Records from NWT Thorpe Marshes.	Various	2013
Orthoptera Archive up to 2008	Collation of orthoptera records.	Orthoptera	1939-1998
Pitfall Trapping Records	Hymenoptera records collected in pitfall traps at Lynford and Grimes Graves.	Hymenoptera	2012
<i>Pseudanodonta complanata</i> Survey Records	Records taken from the report 'The Depressed river mussel, <i>Pseudanodonta complanata</i> , in East Anglia'. Report contains records for the whole of East Anglia, cut down for input to Norfolk only.	Various	2005
R3 Norfolk BRC records	Biological records from the Norfolk BRC dataset - transferred from Recorder 3. This survey contains records input directly to Centre number 262, not imported from other Recorder 3 systems.	Various	1600-2007
R3 records	Biological records - transferred from Recorder 3.	Various	1977-1997
R3 records - Beetle data	Biological records - Beetle data imported from county recorder - transferred from Recorder 3.	Beetles	1800-2007
R3 records - Mayfly data	Biological records - Mayfly data transferred from Recorder 3.	Mayfly	1932-1999
R3 records from Suffolk Naturalists Society	Biological records from the Norfolk BRC dataset - transferred from Recorder 3. This survey contains records imported from Suffolk Naturalists Society.	Various	1880-1998

Updated May 2016

R3 records from University of Birmingham	Biological records from the Norfolk BRC dataset - transferred from Recorder 3. This survey contains records imported from University of Birmingham.	Various	1932-2000
Racecourse Plantation Records	Records from a survey of Racecourse Plantation, Norwich undertaken in 2011 and some historic records from 1997.	Various	1997-2011
Records 2007	Misc records sent in by email from West Norfolk County Bryophyte Recorder.	Various	2007
River Glaven Crayfish Survey 2006-7	Records taken from the report 'River Glaven Catchment Crayfish Survey 2006-7' from Essex Ecological Services Ltd on behalf of Norfolk Biodiversity Partnership.	Crayfish	2006-2007
River Thet Crayfish Survey 2008 Records	Records taken from 'River Thet Crayfish Survey 2008'. Includes a couple of historic records.	Crayfish	1977-2008
RNR Invert Records 2008	Records from 'The Invertebrates of Roadside Nature Reserves: Assessment of Management Impacts 2008' by Hopkins Invertebrate Surveys Ltd.	Various	2007-2008
Roadside Nature Reserves Survey	Plant records from a survey of Roadside Nature Reserves.	Various	2010
RSPB Swift Data	Records of swift nests and swift screaming parties submitted by members of the public as part of a national survey.	Swift	2003-2014
Saline Lagoon SSSI Survey	Records taken from the report: "Natural England survey of coastal lagoon habitat within the North Norfolk Coast SSSI" 12-10-2011. Survey from 2009 and 2010.	Various	2009-2010
Scole Invertebrate Records	Invertebrate Records from Hopefield, Scole, Nov 2004-July 2006.	Various	2004-2006
Sea Watch Records	Cetacean records from the Sea Watch Foundation.	Cetaceans	2006-2008
<i>Segmentina nitida</i> Survey Data 2005-6	Records taken from the report ' A survey in Norfolk for the Freshwater Snail <i>Segmentina nitida</i> 2005-2006. Includes both plant and mollusc records.	Various	1933-2006
Spider Records	Spider records from Norfolk County Spider Recorder.	Spiders	2007-2012
Stanta Bat Hibernation Surveys	Records of bats from surveys and hibernation roost visits.	Bats	2010-2013

Updated May 2016

and Bat Records			
Stanta Bat Records	Bat records from Stanta passed to NBIS.	Bats	1989-2009
Stephen Lambert Records 2008	Records from Sculthorpe Moor, Cantley Marshes & Gillingham Marsh in 2008.	Various	2008
Sutton Fen RSPB records 2010	Records from RSPB Sutton Fen, including historic records.	Various	1866-2010
Syderstone Common Bryophytes	Bryophyte records for Syderstone Common.	Bryophytes	2006
Taverham Mill Water Meadows Survey 2006	Records taken from 'Taverham Mill Water Meadows Site Survey 2006'.	Various	2006
Taylor's Spire Shell in Norfolk Surveys 2008	Records from a survey of the Little Ouse for Taylor's Spire Shell in 2008.	Various	2008
Thetford Heath Woodlice etc	Records of woodlice, centipedes and millipedes collected from Thetford Heath.	Various	2012
Thompson Village Pond Survey	Records from 2000 and 20011 surveys of Thompson Village Pond.	Various	2000-2011
Thorpe Woodlands Invert Survey	A survey of invertebrates in Thorpe Woodlands.	Various	2012
Thurton GCN records	Great Crested Newt records.	Great Crested Newts	2009
Toadwatch Records	Toadwatch records for Norfolk from the charity Froglife. Records collected by toad crossing volunteers.	Amphibians	2009-2013
UEA Bat Records	Bat records from the UEA.	Bats	2014
Vascular Plants West Norfolk	Vascular plant records for the Vice County of West Norfolk via County Recorder.	Vascular Plants	2010-2014
<i>Vertigo angustior</i> Survey Data 2006	Mollusc, plant and bryophyte records taken from 'The Narrow-Mouthed Whorl Snail <i>Vertigo angustior</i> in Norfolk' 2006.	Various	1909-2006
<i>Vertigo geyeri</i> Survey Data 2006	Records taken from the report: ' <i>Vertigo geyeri</i> Lindholm in Norfolk. A Survey of Small Calcareous Valley Fens.' Includes both mollusc and plant records.	Various	2004-2006

Updated May 2016

<i>Vertigo moulinsiana</i> Survey 2008	Records taken from the report 'Horning Marsh Farm Surveys for Desmoulin's Whorl Snail (<i>Vertigo moulinsiana</i>) 2008'.	Various	2008
Water Vole Survey 2004-5	Records from report: 'Determining the status & pattern of distribution of the Water Vole <i>Arvicola terrestris</i> in the Waveney & Little Ouse river valleys 2004-05'.	Water Voles	2004-2005
Weeting Heath Woodlice etc	Weeting Heath Woodlice etc.	Various	2012
Wensum Mink Trapping Records	Records of mink trapped on the River Wensum as part of the Norfolk Mink Project.	Mink	2003-2010
West Norfolk Flora Group 2009 Import	Import of Flora Group records.	Vascular Plants	1834-2008
Wheatfen Plant Galls	Records from Plant Galls Recorded at Wheatfen. Compiled March 1996.	Galls	1933-1994
Wild Walks	Records collected on The Wildlife Trusts' WildWalks website and passed on to us by Norfolk Wildlife Trust	Various	2013-2014
Whitwell Common Bird Survey & Ringing	Bird survey and ringing on Whitwell Common. Surveying 2004 & 2005. Ringing annually since 2004.	Birds	2004-2009
Wicken Quarry, East Winch Records	Records taken from Wicken Quarry Diversion Environmental Review March 2005 by RSKENSR Group.	Various	2005
Woodlice	Woodlice records from County Orthoptera Recorder.	Woodlice	2011-2014

The following surveys are those held by NBIS but which NBIS are not custodians of. These are datasets from Suffolk held as part of the Brecks and Broads Biodiversity Audits (so a complete set of these records is kept in one place) and Norfolk records from surveys run by national organisations such as Butterfly Conservation. Norfolk records from these datasets are used in data enquiries.

Dataset Title	Description	Species Included	Dates
Arachnida of Suffolk	Spider records for Suffolk from the period 1898-1956. Mainly collated by Bristowe and Morley.	Arachnids	1932-1938
Badgers in Suffolk		Badgers	2006-2010

Updated May 2016

Black Poplar Survey of Suffolk	Locations of all Black Poplar trees in Suffolk.	Black Poplars	1979-1997
Botanical Survey of Suffolk protected roadside verges	Botanical surveys of all Suffolk prsvs. Mainly done by expert recorders.		1980-2004
Breeding Bird Survey		Birds	1988-1994
Bryophytes in Suffolk	Survey of mosses and liverworts in Suffolk. Mainly recent data (1980-) but also includes some historical records extracted from literature sources. Vague records are allocated to 6-fig GR centroid of villages. Last records 22/12/2008.	Bryophytes	1971-2008
BSBI Atlas 2000 Survey	Detailed botanical recording of all 10-km squares in Suffolk.	Vascular Plants	1990-1999
BSBI Monitoring Scheme	Detailed botanical recording from selected 10km squares using expert recorders. Covered TM05, TM35, TM38, TL75 and TL78.	Vascular Plants	1987-1997
Butterfly Conservation Millennium Survey	Recording for the National and local Butterfly atlases.	Butterflies	1995-1999
Butterfly Conservation Records 2000-	Norfolk records from Butterfly Conservation from 2000.	Butterflies	2000-2009
Centipedes in Suffolk	Centipede records for Suffolk. Mainly from 1990s. Includes historical records extracted from literature.	Centipedes	1859-1997
Churchyard Botanical Survey	Botanical surveys of all Suffolk Churchyards Surveyors mainly amateur.	Various	1984-1996
Deer Survey of Suffolk	Mainly records from amateur recorders made during 1983 but include a few older records extracted from literature.	Deer	1952-1983
Dermaptera in Suffolk	Earwig records for Suffolk. Mainly from 1990s. Includes historical records extracted from literature.	Dermaptera	1930-1996
Diptera in Suffolk	Diptera records for Suffolk. Includes historical records extracted from literature.	Diptera	1994-1999

Updated May 2016

Earthworms in Suffolk	Earthworm records for Suffolk. Includes historical records extracted from literature.	Earthworms	1991-1992
Farmland Bird Survey	Survey of Birds of Conservation Concern in 100 selected 1km squares within Suffolk Coast & Heaths Natural Area.	Birds	2002-2003
Flatworms in Suffolk	Flatworm records for Suffolk. Includes historical records extracted from literature.	Flatworms	1990-1993
Harvestmen in Suffolk	Harvestmen records for Suffolk. Mainly from 1990s. Includes historical records extracted from literature.	Harvestmen	1978-1997
Hemiptera in Suffolk	Hemiptera records for Suffolk.	Hemiptera	1889-1950
Hymenoptera in Suffolk	Hymenoptera records for Suffolk. Mainly from 1990s onwards. Includes historical records extracted from literature.	Hymenoptera	1924-2007
Millipedes in Suffolk	Millipede records for Suffolk. Mainly from 1990s. Includes historical records extracted from literature.	Millipedes	1932-1997
Mollusca of Suffolk	Records of Suffolk Mollusca. Mainly from the 1980s and early 90s but also includes some historical records.	Molluscs	1980-2001
Molluscs in Suffolk	Mollusc records for Suffolk. Virtually all from 1990s.	Molluscs	1990-1996
Mrs Hyde's Flora records	Suffolk Flora records collated by BSBI County Recorder. Includes much historical data but computerised records are mainly post-1980.	Vascular Plants	1889-1997
Mute Swan Survey		Birds	2002
National Biological Records Centre Flora Records	Records extracted from the National BRC database during Atlas 2000 process of species not recorded in that 10km square in data submitted by Suffolk recorder. Mainly aquatic plants.		1964-1999
Orthoptera in Suffolk	Orthoptera records for Suffolk. Includes historical records extracted from literature.	Orthoptera	1898-2003
Personal Communications	Records for various groups which have been passed on verbally or electronically and lack paper sources.	Various	1880-2010
Phase II surveys of Suffolk Grasslands	Botanical surveys of sites in Suffolk (mainly County Wildlife Sites). Usually comprise complete site list plus quadrat samples and some information on habitats present. Ability of recorders quite variable.	Various	1977-1999
Phase II surveys of	Botanical surveys of sites in Suffolk (mainly County Wildlife Sites). Usually	Various	1985-1998

Updated May 2016

Suffolk Woodlands	comprise complete site list plus quadrat samples and some information on habitats present. Ability of recorders quite variable.		
Plant Galls in Suffolk	Plant gall records for Suffolk. Includes historical records extracted from literature.	Galls	1990-1999
Pseudoscorpions in Suffolk	Pseudoscorpion records for Suffolk. Mainly from 1990s. Includes historical records extracted from literature.	Pseudoscorpions	1932-1994
Reptile & Amphibian Survey of Suffolk	Passive survey of Suffolk's herpetofauna. Mainly conducted by amateur recorders sending in data.	Herptiles	1950-1999
Reptile & Amphibian Survey of Suffolk Update	Passive survey of Suffolk's herpetofauna. Mainly conducted by amateur recorders sending in data.	Herptiles	1956-2009
SBRC Flora Files	Suffolk Flora records accumulated from a variety of literature sources. Includes much historical data but computerised records are mainly post 1980.	Vascular Plants	1957-2000
SBRC Site Files	Accumulated data from a wide variety of sources on sites in Suffolk. Much of it collected by professionals. All taxonomic groups plus habitat data. Records mainly from 1980 onwards though some going back to 1950s.	Various	1858-2007
SBRC Spider Files	Suffolk Spider records collated from literature and fieldwork. Includes many historical records.	Spiders	1953-1998
