#Species Data Required (please tick those required):

Standard Data Search***

All Species Records

If your request is not covered by the above, please detail the information you require here:

As a minimum we will provide the most up to date species records available covering at least the last ten years (subject to availability). Please see our [metadata statement](#) for more information on the temporal coverage of our species records.

#Site Data Required (please tick those required):

Standard Data Search***

Do you require site citations (tick if yes)?

If your request is not covered by the above, please detail the information you require here:

PLEASE NOTE: Some habitat data may also be available on request

Please detail your requirement for habitat data here:

Data Format:

#Please specify preferred report format by circling or underlining:

- Species data: (emailed Excel table [Default] or GIS file (MapInfo or ArcGIS))
- Map of Protected Sites in Search Area (jpg [Default], or GIS file (MapInfo or ArcGIS))

**** GIS layers based on MasterMap data (such as protected site boundaries) can only be provided to customers who have a valid OS licence. If requesting this data, please provide your OS licence number here:
